Services for a successful "turnkey" evening

A visit backstage before the show and a catering service will make this evening a complete experience for your clients

Lyon, City of Light

The Opéra de Lyon is just one of the landmarks of the city of Lyon, a Unesco World Heritage Site thanks to its historic architecture. From the "traboules" (covered passageways) of Croix-Rousse to the St-Jean district, from the Fourvière Basilica to the banks of its two rivers, Lyon is a city to be discovered.

VISITS BEFORE THE SHOW

The Opéra de Lyon, rebuilt by Jean Nouvel and inaugurated in 1993, today has a place in global architectural heritage.

It represents one of the most beautiful feats of theatre architecture from the second half of the 20th century.

Apart from the main hall, which your clients will discover during the show, we offer the chance for them to see the backstage area of a building that is full of life: foyers, the AmphiOpéra, rehearsal rooms, a magnificent view over Fourvière...

Price : 125€, maximum group size 25.
